Dear Green:

I thought I had better write you confirmation of all the games I have arranged. I thought I would have heard from Dr. Marshall by now, but I have not. However I am sure the date is OK. I talked to him on the phone, and will write him today and ask him to send us some kind of confirmation.

The dates all arranged are as follows

Monday July 10 Elites and Eagles at Harrisburg

Monday July 24	At Portsmouth Va.

27	Newport News
28	Norfolk

I have a couple more dates we might get together on if these turn out alright.

Please send me confirmation, so I will know you received the letter.

Very Truly Yours
